Coronation Garden Party

The Staff and Students had a wonderful time celebrating the Kings Coronation. The students got to enjoy a film with popcorn and candy floss, followed by hotdogs, sandwiches and cakes. The weather held off for them to enjoy some garden games.

Food Tech

During this month's Food Tech lessons students have enjoyed making Pizzas, Wraps and surprise biscuits.

Trevassack Lake

On an educational visit students were able to capture some pictures of Canada Geese.

Buckingham Palace

On Friday 19th of May Lisa and Emma were invited to attend the DofE Gold award garden party at Buckingham Palace to celebrate all the young people that have achieved their awards and to promote the next generation to do theirs.

They had many guest speakers who were very inspiring including Prince Edward. We had our school mascot with us who had many photos with very important people.

We have our Bronze expedition in June and wish the participants the best of luck!!!

Silver award for some of them next year and bronze will still be available for others who are eligible

Headteachers comment: Another fantastic few weeks here at Three Bridges, I hope you all have a lovely half term.
